Title: College Complaint Escalation System

Class	**Type**	**Why**
User	Strong (abstract)	It has its own userId and exists independently. It is the parent of the four user types.
Student	Strong	Own rollNo, and a Student exists with or without complaints.
Staff	Strong	Own staffId, independent.
HOD	Strong	Own hodId, independent.
Admin	Strong	Own adminId, independent.
Complaint	Strong	Own complaintId, and it is the central class that the others hang off.
Category	Strong	Own categoryId, and it exists before any complaint is filed under it.
Notification	Strong	Own notificationId. It is linked to a User but is not owned by one.
Escalation	**Weak**	It only exists because a Complaint was escalated. It is drawn with a composition diamond on Complaint.

Class	Type	Why
Attachment	**Weak**	A file only makes sense attached to a Complaint. It is drawn with a composition diamond.
Feedback	**Weak**	Feedback is given for one specific Complaint (0..1 per complaint) and is meaningless without it.
